

Air Supply Album 1993: The Vanishing Race (With Original Music Video)

This album of Air Supply was supported by the hit single with title "Goodbye". That song was produced by David Foster, with lyrics by Linda Thompson and not only popular in the United States but also in another country, especially in Asia.

Lyric of Popular Hit Single "Goodbye" By Air Supply I can see the pain living in your eyes And I know how hard you try You deserve to have much more I can feel your heart and I sympathize And I'll never criticize All you've ever meant to my life I don't want to let you down I don't want to lead you on I don't want to hold you back From where you might belong You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to say but goodbye You deserve the chance at the kind of love I'm not sure i'm worthy of Losing you is painful to me I don't want to let you down I don't want to lead you on I don't want to hold you back From where you might belong You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to say but goodbye You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to try Though it's gonna hurt us both There's no other way than to say goodbye This Original Music Video Of Goodbye By Air Supply
